

2nd Tłı̨chǫ Assembly
3rd Session Directive
December 3-4, 2009

The 2nd Tłı̨chǫ Assembly held its 3rd Session in Gamètı on December 3-4, 2009 and approved the following:

1. Caribou Interim Emergency Measures

Tłı̨chǫ Assembly supports the GNWT Environment and Natural Resources (ENR) proposed Interim Emergency Measures to have a no hunting zone for barren ground caribou in "Unit R". A meeting will be held between Tłı̨chǫ Government and GNWT ENR to work out the following conditions:

- that ENR provides assistance for the additional costs for those living in "Unit R" to be able to travel to hunt in "Units S and U" as identified on the map;
- that ENR provides proper monitoring in the area;
- that a public education strategy is developed.

Tłı̨chǫ Government will work closely with ENR on the drafting of the no hunting zone regulations.

2. Fortune Minerals

The following items are approved:

MVEIRB Terms of Reference

Letter to be sent to the MVEIRB regarding the term "Wek'eezhii Settlement Area"

Communication

All communication regarding the Nico Project shall be directed to the Tłı̨chǫ Executive Officer and that a communication strategy will be developed for Assembly consideration and approval.

Memorandum of Understanding

The Tłı̨chǫ Executive Officer is authorized to engage in a MOU negotiations with Fortune Minerals.

Consultation

A consultation strategy be developed for Assembly consideration and approval
