

2010 Tłıchǵo Scholarship Winners

Tłıchǵo Government and the Tłıchǵo Community Services Agency are very proud to announce the results of our Tłıchǵo Scholarships Awards.

2010 marks the thirteenth year of this annual competition open to Tłıchǵo citizens completing or returning to continue a program of study at the post secondary level. In 2009, our program provided \$600,000.00 in bursaries and scholarships and supported 189 in their post secondary programs.

The purpose of the scholarships is to recognize achievement and excellence, and encourage a desire in students to go beyond expectations as a natural progression to professional practice.
